Staff responsibilities: Staff members are expected to participate fully in all weekend activities, including staff meetings before the weekend, the 3-day weekend itself beginning Thursday morning, and the Welcome Back. Staff should arrive by 9 AM on Thursday morning of the weekend or as directed by the Lay Rector.

We will acknowledge receipt of your application. All eligible applications are provided to weekend Lay Rectors so they can select staffs. Staffs are usually selected more than 6 months before a weekend. **Serving on a Weekend is normally limited to once every 12 months.** New Cursillistas are eligible to serve on a staff about a year after their weekend.

After a staff member is selected for a particular weekend, fees will be addressed and collected. Scholarship money is available from a number of sources. Thanks for your interest in the EDUSC Cursillo ministry!
